

# LAST WILL AND TESTAMENT

Approximately 70% of the UK population does not have a Will meaning that if anything happens to them their Estate will be left to be dealt with under the rules of Intestacy and not as they would have wished.

**WHO DO YOU WANT TO INHERIT  
YOUR HOME AND OTHER ASSETS?**

THE TAX MAN?

THE LOCAL AUTHORITY?

YOUR CHILDREN AND LOVED ONES?

**IF THE ANSWER IS YOUR CHILDREN  
AND LOVES ONES, THEN YOU  
SHOULD CONTACT US FOR ADVICE**

Writing your Will is not only for the older generation. If you have property, children or disabled beneficiaries, it is essential that you write your Will to provide for those beneficiaries. If you do not, children could find themselves with family members who you did not want to care for them; disabled beneficiaries who are in receipt of benefits could find themselves losing their benefits and worst case scenario, family members who you did not wish to inherit, may do.

We can listen to you, advise you as to the best course of action and guide you as to how to draft your Will.
